## Proposed Changes to the Club Constitution and Bylaws

In accordance with Club Bylaw Article XII, the following proposed changes to the Club Constitution and Bylaws have been submitted. These changes have been reviewed by the Board of Directors, and will be voted on at the next regular Monthly Meeting.

*Current Articles VIII thru XVI will be renumbered as VIII thru XVII, in order to allow a new Article VIII to be added:*

### Article VIII: Budget Committee

- 8.1 The Club Budget Committee shall consist of five (5) Club Members, each of whom shall have been a Club Member in good standing for not less than two (2) years.
- 8.2 The Committee Chair shall be the Club Treasurer.
- 8.3 Members of the Committee shall be selected by the Committee Chair, subject to approval of the Board of Directors.
- 8.4 Except for the Club Treasurer, in order to avoid any conflict of interest, Members of the Board of Directors shall not serve on the Budget Committee.
- 8.5 Except as noted in Chapter 2, Article 7.4, all requests for Club funds, to be used in the establishment or furtherance of any Club Event or Activity, shall be submitted directly to the Budget Committee, using whatever forms or procedures as the Committee shall establish.
  - 8.51 The Budget Committee shall review all such requests to establish the effects on the Club as a whole, taking into account the number of Club Members that would be favorably or adversely affected by the request.
  - 8.52 The Committee shall either
    - a. deny the request;
    - b. modify the request and return it to the requestor for review; or
    - c. approve the request and forward its recommendation to the Board of Directors or the Membership for action thereon.
- 8.6 In the event that a request is denied by the Budget Committee, the requestor may appeal the decision to the Membership at a subsequent monthly Meeting.
  - 8.61 Any Appeal must be submitted in writing to the Club Secretary, at least ten (10) days prior to the Meeting, so as to allow it to be placed on the Meeting Agenda.
  - 8.62 Overriding the Budget Committee's denial shall require a two-thirds (2/3) majority of Members present.

*This Article shall become effective at such point that the Budget Committee is firmly established and able to act as a committee.*

## Politics & Legislation

by John Faro, Political Junkie

The new legislative season is underway and we still have some “Oldies but Goodies” to contend with. A lot of Legislative Service Requests (LSR’s) have been filed or are intended to be filed by our friends and foes alike.

One of the “Oldies” is getting a legislative definition of what a loaded firearm is. The battle still rages on between the New Hampshire Chiefs of Police Association and firearm advocacy groups, such as the Gun Owners of New Hampshire and our legislative allies.

What we are fighting for is the legal definition of a loaded firearm to be rounds in the magazine and magazine in the magazine well and a round in

the chamber, and rounds in the cylinder with cylinder closed. This is the definition that all legal firearm owners and user ascribe to, well most of us anyway.

As stated before in one of my articles, a hunter should not be cited for a violation because he or she lays a rifle in the bed of a truck or backseat of a car to produce a hunting license requested by a Fish and Game officer.

Another example is driving by or onto school grounds with a concealed loaded firearm. Citations have been issued for both examples listed here.

Definition of Mental Health is also a “Golden Oldie” that we will be dealing with in the coming legislative session.

The legislative definition of a “mental health” issue is so convoluted in current law that it has been a field day for attorneys and prosecutors alike. With a well-defined definition, we can eliminate the harassment of law-abiding citizens and hopefully help those that need treatment get what they need and not a criminal record.

Firearm advocacy groups are culling through the LSR’s to determine which are advantageous to us and which are not. So, hang on to your hats. It will be another interesting legislative session in New Hampshire.

As a Club Member, participant, official, volunteer, or spectator at Country Pond Fish & Game Club, I acknowledge that I am fully aware of the risks involved in any activity at the Club in which I may choose to participate. I hereby agree to assume all risks involved in participating or watching others participate. I do hereby indemnify and hold harmless the Club, its Officers, Directors, members, and all individuals participating or working in these, or any other activities taking place in or around the Club and Club grounds, against and from any and all claims, actions, suits, procedures, costs, expenses, damages, and all other liabilities, of whatever nature, arising out of, in any way connected with, or resulting from these activities, including without limitation the manufacture, selection, delivery, possession, use, and operation of any equipment, and any conditions of the natural environment.

I agree to participate in these activities in accordance with whatever rules, instructions, and regulations presented to me.

I understand that still, audio/video, and/or motion picture photography may occur during my presence on Club property and, as long as I am in the general area, I may be incidentally included in such photography. Should I wish to be excluded from such photography, I understand that it is my responsibility to be aware of photographic activity and remove myself from the area or event being photographed or recorded. Absent such action on my part, I hereby grant the Club, its agents, volunteers, sponsors, beneficiaries, heirs, and assigns the right to use my photographic and video image(s) in the promotion of the shooting sports or the Club in general as it chooses in its sole discretion without compensation.

I hereby agree that jurisdiction for any action pertaining to this release shall lie exclusively in Rockingham County, in the State of New Hampshire, and shall be governed exclusively by the laws of the State of New Hampshire, without reference to conflict of laws' provisions. If any portion of this release is found to be invalid, the offending portion shall be stricken and the remainder shall remain in full force and effect.

I hereby certify that I am not prohibited from possessing, selling, owning, or transferring firearms under state or federal law: I (A) have not been convicted of a felony that has not been annulled or expunged; or (B) have not been convicted of a violation of 18 USC § 922 that has not been annulled or expunged; and (C) am not a member of an organization that advocates the violent overthrow of the United States Government, and that I am not barred by any law from the possession, use, or control of firearms.

I further affirm that I have read and understand the CPF&G Club Constitution, current Club Bylaws, and all Rules.
