We hope you enjoy Country Pond Fish & Game Club. We're looking forward to getting to know you on the ranges and at our events.

Be safe and have fun.

As an NRA affiliated club, it is important for us to support the National Rifle Association. By joining the NRA through CPF&G Club, \$5 of the annual fee, or \$10 of the 3-yr membership fee, is paid back to our club.

.22 RIMFIRE SNAP CAPS

Most people realize that dry firing a firearm is better done when there is a dummy round or snap cap in the chamber. In a centerfire gun, the snap cap prevents the firing pin from encountering a hard stop, rather than a relatively soft primer. In a rimfire gun, the snap cap prevents the firing pin from impacting the chamber edge, which would damage it if done repeatedly.

Unfortunately, rimfire snap caps are quite expensive and break easily, limiting their usefulness. We've found a great alternative.

Home Depot stocks **plastic wall anchors** that are a perfect fit in a .22 rimfire chamber, and they're only \$3.92 per hundred!

Here's the link:
