CHILDREN'S CHRISTMAS PARTY SLEIGHS THE WEATHER

The weather outside was frightful but several determined parents and their children would not be deterred in their quest to meet Santa. The halls of our Club were festively decked for our guests who braved gale force winds and half a foot of snow and rising.

Our guests were treated to crafts organized by Sharon Theobald and refreshments brought by our members. Judi Coulombe, the event chairman, saw to it that the children had a plentiful selection of gifts to choose from Santa's Toyland again this year. John and Bev Faro helped to usher the children to meet the big guy in the red suit. Before, during and after the event, Tom Moran helped decorate, remove snow from our door, and make sure things ran smoothly as the Winter Warlock beat upon us. In the end, Santa had a pleasant chat with several of our good little girls and boys before heading back to the North Pole to work on the children's wish lists. And I heard him exclaim as he jumped in his sleigh, "When I come back next year, let's have sun rule the day."

.22 RIMFIRE PLATE SHOOTS

We started our 2008-09 .22 Plate Shoot season with a bang - we had 34 shooters at our November 9th match. Unfortunately, with so many shooters, we only had time to shoot one match. We're reformatting our program to alleviate that problem.

Previously, a match consisted of three relays of five stations per relay. Starting this month, each match will be two relays of five stations. The match will be shot in squads, limited to 15 shooters. Each squad will be able to complete the match in about 55 minutes, so a new squad will shoot every hour. Squads will be assigned on a first come, first served basis.

Match Schedule, Results, and detailed information about rules and procedures can be found at <http://www.pineywoodsplace.com/cpfg22ps.html>.

The matches are open to the general public. All guns chambered in .22 Short, Long, or Long Rifle may be used, regardless of type or sights. Registration is from 11:00 to 11:45am, and the first match of the day starts at noon. Cost per shooter for your first match of the day is \$5.00 for CPF&G members and \$8.00 for non-members. Juniors (under 16) shoot for free with a paid adult. Cost for additional matches shot on the same day is \$3.00 each for everyone (Juniors still shoot free).

The kitchen will be open for food and drinks from 11:30am to around 2:30pm.

The remaining matches this season will be held January 11th, February 8th, March 1st, and April 5th. Hope to see you there!

PRESIDENT'S MESSAGE

We are at the beginning of a new year that promises lots of challenges economically and legislatively. Now more than ever we need to be a force in the world around us or we will not recognize the world around us by the end of this year.

Our annual meeting was held December 18, 2008. The meeting was well attended despite the weather conditions and the fact the club had been without power for several days. Thank you to all who attended.

Our election of officers and directors for 2009 was held as scheduled. The results are as follows:

Executive Officers - President - John Faro; Vice President - Sharon Theobald; Secretary - John Cull; Treasurer - Andy Deardorff.

Directors – Tom Moran (seat #1); Chris Gordon (seat # 3); John Clemens (seat # 5).

I'm proud to report that we had seven candidates for the office of Director. This is one of the largest groups of candidates we have had in a long time. I want to thank Sean Houlihan, Richard Amidon, Walter Riley and Bob Kinney for their interest in volunteering to help run our organization.

Many thanks to Chuck Rancourt, Esq., for being our election judge and to Dave Duval and Bev Faro for being our election tellers. Very special thanks to Lois DeYoung who did not run for re-election as club secretary and Richard Amidon, an incumbent director, who did not win re-election.

These people have dedicated their time and talents for many years to make our club one of the best there is in the state. I hope they will continue their efforts for the betterment of us all.

On December 21, 2008 we finally got the opportunity to hold our Children's Christmas Party. The weather and the power company got it together and the party went on complete with a visit from the jolly old fat guy. (No, it wasn't me). Attendance was small but all who attended had a great time. Many thanks to our party Chairman Judy Coulombe and her elves for a great job as usual.

A happy and prosperous New Year to all and thanks for taking the time to read this. It's your club, it is up to YOU!

John Faro, President

POLITICAL NOTES

Federal: Obama Selects his Attorney General – So much for "I support the Second Amendment," and so much for the notion of "change."

President-elect Barack Obama has selected Eric Holder as his Attorney General. Holder, as Deputy Attorney General under Janet Reno during the Clinton Administration, said that the Second Amendment does not protect an individual right, but instead protects the right to have a firearm when serving with a militia. After leaving office, Holder stuck to that assertion when he signed Janet Reno's brief to the Supreme Court in the Heller case, which stated, "The Second Amendment does not protect firearms possession or use unrelated to participation in a well-regulated militia."

At the Justice Department, Holder advocated a waiting period, limiting gun purchases to one per month, and so-called "gun show loophole" legislation—the fine print of which would have driven gun shows out of business. Holder made it clear that he, Clinton and Reno were more interested in stopping gun sales than in regulating

them. When ABC's George Will asked him about guns being used for self-defense more often than to commit crime, and Right-to-Carry states have lower crime rates than other states, Holder dismissed the facts that Mr. Will raised, with the flippant statement, "I'm not sure that we need more than the 200 million or so guns that we have on the streets." (Source – NRA-ILA e-mail 11/21/08)

Just a small example of what we can expect coming out of the NEW Washington D.C. I hope you are ready.

New Hampshire: The Legislature will be gearing up in the Granite State this month. We have a lot of anti-gun sentiment floating around in Concord this session. I have not received a copy of proposed legislation. Be aware that not only our gun rights but our civil liberties in general could very well be under attack. We must be vigilant about watching all our rights.

Massachusetts: Things, as far as firearm rights, seem to be quiet in the Bay State. There are so many things happening with the politicians there it is difficult to keep up. I may need one of our Massachusetts members to step up and keep an eye on things and report back to us. If anyone is interested please contact me and we will work something out. Thank you.

John Faro, President

**Annual Game Dinner
Scheduled for
March 15, 2009**

Our Club will host its annual Game Dinner on Sunday March 15th from 1:00 to 3:00 PM. This event is one of many ways C.P.F.&G. shows its community spirit by inviting the residents of the Town of Newton, our neighbors at Packer's Meadow, and our members to share the bounty our hunters and fishermen have harvested from the wilds this season. Last year's event was excellent thanks to YOU, our members, who supplied venison, moose, caribou, bear, elk and fish in quantities which provided a true Game Banquet. We are asking our members who have had successful hunts to please bring what they can donate to the Club on Wednesday evenings, Sunday mornings, at any B.O.D. or General meeting, or contact Earl Tibbetts at 603-382-8024 or ertibb@verizon.net to make arrangements to receive your donation.

We are also asking for donations of baked goods, dishes to complement the game courses and desserts. Last year, some homemade breads, wild rice and fresh baked brownies helped make our event a feast to remember. Please contact any of our Club Officers or members of the B.O.D. if you wish to join in the preparation and hosting of the Dinner. There is no charge to attend the event and it's a great way to meet Club members, share stories of the hunt and see the appreciation of our guests who eagerly anticipate this annual event.
