#### **RIMFIRE PISTOL LEAGUE ENDS ITS SEASON**

The 2008-2009 Rimfire Pistol League finished its last Wednesday shoot on February 11th. It seemed as though Mother Nature liked Wednesdays for major ice and snow storms - three of our league nights were hit by significant bad weather.

But, the league members came through snow, sleet, freezing rain, and dark of night to shoot!

Our league banquet is scheduled for March 4th at the club. Appetizers will be served at 6:30PM and dinner will be at 7:00PM. Dinner will be catered by Ron Sevigney. Ron did an excellent job last year and we are looking forward to his creations this year.

If you would like to shoot next year's pistol league, plan on coming to the organization meeting scheduled for September 16th at 7:00PM at the club.

Team standings and individual awards will be listed in the next newsletter!

If you missed this league, don't miss out on the centerfire league that will be starting around March 11th. This is a 10 week league where shooters practice and get help with technique and questions about centerfire pistols. There will be pizza and beverage available at the end of the 10 weeks. Dick Chavers will be the league chairman.

As pistol league chairman, I want to thank Dick Chavers for being range officer and assisting me in getting the range ready for shoots. I want also to thank Steve Chase for being the league statistician and John Faro for helping me get through the year with my many questions.

I hope to see you all in September.

## INDOOR PINSHOOTS

The indoor pins shoots are under way and are held on the Thursday nights listed below. Setup and sign-in starts at 6:30PM and shooting will begin at 7:00 PM.

Pinshoots are a big hit this year it takes many people to run these events and I would like to thank those who help.

Pappy (Bob) Richards who is always at the club early to sweep the range and set up the tables. Pappy also cleans the range on Tuesday and Saturday Mornings as his way of helping out at the club. WE THANK YOU.

Chris Gordan has been cooking hot dogs for the shooters. Tom Moran is all around helper to me by working with Chris, signing in shooters and helping clean up at the end of the night.

John ( Piney) Carr, has stepped up and is my second set of eyes on the range--his services as range officer are much appreciated. Last but not least by any means Jeremy Ruelas and Cliff Bassinette have been helping me out since we started the indoor pins. They help with range officer duties and ALWAYS are there at the end to sweep up and help put things away. It means a lot and I thank each and every one very much! Running these events takes time and help. Joining in can be fun and it supports your club. Join in and have more fun! Come on down and give the shoot a try.

The doors open for sign in at 6:30 PM. We will be using the same format as we do for outdoor pins. Mark your calendars!

## PRESIDENT'S MESSAGE

If you are ready for winter to be over, raise your hand. I see a lot of hands out there. We have all had enough of the white stuff.

This month's premiere event will take place on Sunday March 15, from 1 to 3 PM. Our annual Game Dinner is an event most if not all our members look forward to.

This community service is open to our members, their families and the residents of Newton, NH. This is an opportunity to gather with other sportsmen and women to enjoy the bounty of nature and the success of our hunters.

John Cull, Mike Sorenson and their kitchen magicians will be preparing and serving game, fish and fowl. Please join us on March 15 for an excellent meal and good conversation with our members.

Also this month there is a .22 cal., Steel Plate Shoot on 03/01/09. Most people enjoy hearing the results of a well placed shot by the sound of 22 rounds hitting plates, and not just the holes that are made in a paper target. Give it a try. I think you will like the competition.

On 03/08/09 a Granite State Bowhunter shoot will be hosted by your club. If you are into Archery this is the best venue to hone your skills with bow and arrow. This sanctioned GSB course will be laid out by the experts and should be a good challenge to all participants.

We have two indoor Pin Shoots scheduled--one on the 12<sup>th</sup> and one on the 26<sup>th</sup>. Sharon and her crew will be there to run the shoots. All those who have participated in these events have enjoyed the evening of shooting and competition. Come on down to the club and give it a try. As Sharon always says, "bring your firearms." "Once you see it you will want to shoot." For times and details see the notice in this newsletter.

FYI – The Junior Olympic Archery Division will be using our facility on Sunday March 22 from 5 to 9 PM for training and practice. These young folks are amazing shooters. The future of Archery as a sport seems to be in good hands from what I have seen observing these dedicated shooters. Keep in mind the indoor range will be closed to firearms while JOAD is using our facility.

Thanks for taking the time to read this. "It's your club." "It is up to you."

John Faro, President

## **POLITICAL NOTES**

Federal: This should not be a surprise to any gun owners who have not had their heads in the sand since last November. President Obama wants

to reinstate President Clinton's semi-auto ban and add hundreds of firearms to the list to be banned.

As for President Obama's Vice President Joe Biden he recently bragged that "I'm the guy who originally wrote the assault weapons ban."

Speaker of the House Nancy Pelosi has also voted for the assault weapons ban. She has said that the Democrats will revisit guns "when the issue is ripe." Translation – when we have control of both houses we will ban all the firearms we can.

Eric Holder, the Attorney General of the United States, has stated that "Americans are a nation of cowards when it comes to racism."

Now you know what the top political figures in our country think of firearms and the every day people (YOU AND ME) of the United States.

Now doesn't that give you a warm and fuzzy feeling about our future?

(Source – Someone who does not have his head in the sand. Me).

New Hampshire: HB 160 Personal Protection Act – Do you know, under current New Hampshire law, you are not allowed to defend yourself if you are in a public place? In order for you

to use deadly force to defend yourself, you must make a split second decision. Is the attacker "about to use deadly force" or "committing or about to commit a kidnapping or forcible sex offence"? You must be able to prove to police that you could not have safely retreated from the situation, or it will be you who goes to jail.

House Bill 160 fixes the current law by saying that you may use deadly force in defense of your life "in any place you have a right to be." No one should use deadly force unless they have to! No one should go to jail for justifiably using deadly force to defend oneself.

(Source – Gun Owners of America)

Massachusetts: Gun Owners Action League reports a new piece of legislation filed by Representative William Lantigua of Lawrence to criminalize the possession of a rifle, shotgun or handgun with an expired license. Also this legislation would require all lawful gun owners to supply licensing authorities with photographs of all the rifles, shotguns and handguns they own. (Source – GOAL).

# ATTENTION CENTER FIRE PISTOL SHOOTERS

LATE WINTER IS HERE, AND THAT MEANS THE CPF&G CENTERFIRE PISTOL LEAGUE IS READY TO BEGIN FOR THE 2009 SEASON.

The first match is currently scheduled for

**Wednesday March 11<sup>th</sup>**

**from 6 to 8 pm**

(Range is open earlier for practice)

The course of fire will be a modified NRA Gallery match consisting of 3 stages of 10 shots each: slow, timed, and rapid fire, all at a distance of 50 feet.

## **The modifications are:**

1. Shooting position may be two handed  
(Traditionalists will still be using the offhand position)
2. The rapid fire stage will be 20 seconds

This is a very informal league, primarily for fun, and to allow any shooters of any skill to come and shoot with other center fire shooters, exchange ideas and techniques and improve their skill.

We keep score, but only so you can see if you are improving as the league progresses. There are no winners or losers, just shooting buddies.

There are no teams so if you can't come some nights, it doesn't matter.

## **EQUIPMENT:**

### **Ear & eye protection**

Any Club legal caliber pistol or revolver (no .460, .480, .500, etc.) of .32 caliber up, with any type of sights.

Since we are only punching paper, and low recoil will help you during the timed and rapid fire stages, light cartridge loads are recommended.

Typically hot coffee and donut holes will be available each night.

We probably will run the league about 8 or 10 weeks depending on how the members vote. The typical fee will be in the \$3 to \$4 range, just to cover expenses.

**Annual Game Dinner  
Scheduled for  
March 15, 2009**

Our Club will host its annual Game Dinner on Sunday, March 15th from 1:00 to 3:00 PM. This event is one of many ways CPF&G shows its community spirit by inviting the residents of the Town of Newton, our neighbors at Packer's Meadow, and our members to share the bounty our hunters and fishermen have harvested from the wilds this season. Last year's event was excellent thanks to YOU, our members, who supplied venison, moose, caribou, bear, elk and fish in quantities which provided a true Game Banquet. We are asking our members who have had successful hunts to please bring what they can donate to the Club on Wednesday evenings, Sunday mornings, at any B.O.D. or General meeting, or contact Earl Tibbetts at 603-382-8024 or [ertibb@myfairpoint.net](mailto:ertibb@myfairpoint.net) to make arrangements to receive your donation.

We are also asking for donations of baked goods, dishes to complement the game courses and desserts. Last year, some homemade breads, wild rice and fresh baked brownies helped make our event a feast to remember. Please contact any of our Club Officers or members of the B.O.D. if you wish to join in the preparation and hosting of the Dinner. There is no charge to attend the event and it's a great way to meet Club members, share stories of the hunt and see the appreciation of our guests who eagerly anticipate this annual event.
