## Newsletters on the Internet

The *Trigger Times* is posted on the CPF&G Club website at <a href="http://www.countrypondfishandgameclub.com/news\_cals.html">http://www.countrypondfishandgameclub.com/news\_cals.html</a>

This is the best way to receive up to date and timely information, and to save the club money, time, and effort. The website is updated daily (Well... usually it's daily. Sometimes we miss a couple of days.) The electronic version of the Newsletter is posted within a week after the monthly General Meeting, but the hardcopy version is usually mailed as much as a week later than that. Not only is the current issue of the newsletter posted, but previous issues are available as well.

Another plus for the electronic version is that it's in color, it's much easier to read, and the website and email links are 'live'.

If you're still receiving your newsletter via the US Mail, contact the editor, Piney Woods, at <a href="mailto:piney@pineywoodsplace.com">piney@pineywoodsplace.com</a> to get your name off the snail mail list and into the 2lst century.

... one of the people who are too lazy or inconsiderate to pick up your spent brass and replace your target frames when you're done shooting?

Hopefully you'll also be too lazy to renew your Club membership; then the other Members who use the ranges will no longer have to put up with your lack of consideration.

## NRA Basic Pistol Shooting Course

## **22 January 2011**

The NRA Basic Pistol Shooting Course will introduce the student to the knowledge, skills, and attitude necessary for owning and using a pistol safely. The student will learn about pistol parts and operation, ammunition, gun safety, pistol shooting fundamentals, and pistol shooting activities. This course will also help prepare the student for other NRA courses.

The course will start at 08:00 and last eight to ten hours, depending on class size, familiarity of students with firearms, and the amount of time allotted for live fire.

## This class is limited to TEN students

All students under 18 must be accompanied by a parent or guardian.

## **Contestants Wanted**

The Club will host its annual Chowder Fest on Saturday, 15 January 2011, from 17:00 to 18:30.

We need people who want to share their personal chowder creations. All types of chowder are welcome: corn, clam, fish, seafood, or anything else you might come up with. Bring a crock for sampling.

Contact Sharon Theobald 978-374-8061 ShootinLady655@aol.com

This event is a fundraiser for the Club, so there won't be any prizes for the winner except "Bragging Rights" for the top chef!

## Confused?

Apparently, there has been some confusion about Club Members carrying holstered handguns around the Club.

It's true that carrying any loaded uncased or unholstered gun around is never allowed on Club grounds. Carrying any uncased or unholstered gun around with the action closed whether loaded or unloaded - is also unacceptable. However, it's perfectly OK to carry a safely holstered gun, whether loaded, unloaded, or in whatever condition you choose (keeping in mind NH Concealed Carry laws). Anyone who tells you different is misinformed.

At Country Pond Fish & Game Club, we support every person's right to have the means to defend themselves.
