Politics & Legislation

by John Faro, Political Junkie

The Presidential campaign season is cranking up to full speed. New Hampshire will be inundated with potential candidates vying for your votes. My only request is for you to pay attention to what these folks are really saying. If you attend a candidate forum or town hall meeting, please be the one who asks the tough questions about Second Amendment rights.

There will be many distractions in the coming months due to the campaigning we all have to endure. Don't lose track of our state and local political shenanigans that will be ongoing during the campaigns.

SB 116, the bill to change the requirement for a CCL for law abiding citizens, passed both House and

Senate committees with an "ought to pass" recommendation. I have been informed that this bill my come up for a vote on April 23rd, but the bill is not listed on the legislative agenda. This is one of the ways political "hocus pocus" is used to delay or defeat legislation. There are a lot of our illustrious legislators who do not want to go on the record voting against this bill.

Contacting your Representative or Senator about this legislation is crucial in letting our legislators know this bill is of great importance to Granite State residents.

Politicians pay attention to voting blocs, which is exactly what we are if we fight together for our rights. Large numbers of voters and large campaign donations really get the attention of some of our legislators. Political activism can be frustrating and downright aggravating at times, but without you and me nipping at the heels or our political class, we could be in real trouble if we ignore them.

There are many politicians who work with us faithfully to craft legislation that benefit and enhance our rights under the state constitution; then there are some who's only concern is their political futures and getting reelected or elected to higher office. I can only urge you to vet candidates carefully before casting your important vote in any and all elections.

Your votes do count. Let them count for our freedoms and firearms rights.

## April Spaghetti Dinner

The first Spaghetti Dinner of the year was a huge hit! Over 60 people came to enjoy an evening of great food and company! Many were from the new 55+ development in Newton, as well as many members and friends of CPF&G Club.

As much as we felt ready and prepared for this event, the number of participants was far more than we have ever had at one of these events. The food went fast. We apologize and will have more food on hand for the next one on 16 May.

These events are open to the public. Hope to see you there!

We'd like to thank everyone who came and all those who helped with setting up beforehand and cleaning up afterwards.

Using cpfgtravel.com instead of Travelocity or Expedia is a great way to raise funds for the Club.

- Book flights, hotels, and cars
- Take a cruise or tour
- Order sports tickets
- Send flowers & gifts
- Plan a hunting or fishing trip
