## Absent Companions

Paul S. Nakis, 64, resident of Newburyport, died on Wednesday, 16 December 16 2015, at the Portsmouth Regional Hospital, surrounded by family and close friends.

He was born in Ipswich, 21 February 1951 to Menelaus and Mary (Kokores) Nakis. Paul was educated in Ipswich local schools and later, having moved to Newburyport, he was a 1969 graduate of Newburyport High School, also a graduate of The Art Institute of New York. He worked as a Police Officer for the Newburyport PD until his retirement.

He enjoyed many things in his life which included surfing, camping, gardening, fishing, hunting, and especially cooking. Paul was a great cook. For many years, Paul was an instrumental part in helping the Newburyport Greek church to cook for their annual Greek Festivals. In the last 12 years, Paul's passions turned to archery. he began as a beginner and progressed very quickly to competing in numerous local, regional, national, and world events, where he occasionally placed in the Top 3. Not only did he love competing, he became a talented archery coach. He was not only a certified bow hunter education instructor, but achieved a level 2 JOAD (Junior Archery Olympic Development) instructor certification. Paul's students not only loved his unique style of teaching, but loved his uplifting and inspiring personality. He also loved and adored his family and liked to spend time with them. He will be sorely missed.

He is survived by his children who will sadly miss him; his son, Paul M. Nakis and his wife, Valerie of Newton, N.H., daughters, Kristen Nakis of Amesbury, Victoria Nakis of Candia, N.H., Morgan Nakis of Newburyport, and his three grandchildren, granddaughter, Charlie Nakis, and the grand twins, Cameron and Thomas Nakis.

## Politics & Legislation

by John Faro, Political Junkie

The NH legislative session for 2016 is underway. It promises to be a very contentious session.

The House passed this year's version of Constitutional Carry and also passed the bill for use of suppressors for hunting; both head to the Senate. Last year the Senate passed Constitutional Carry for the first time, which the Governor vetoed. This year it will be touch and go to get it passed by the Senate and the Governor is likely to veto both bills if they make it to her desk. Fish and Game vehemently opposes the suppressor bill.

HB 1368, requiring firearms owners to have liability insurance, would require up to \$10,000 of liability insurance on each and every firearm you buy if enacted. The insurance is on the firearm not the owner.

HB 1314, a bill limiting the authority of state entities to regulate the sale, use, and possession of firearms, should be familiar to you. Our friends in Concord have tried to pass this type of legislation before.

HB 1400 is a bill defining suitable person for the purpose of obtaining a license to carry a firearm and extending the term of the license. We have been trying to get "suitable" defined in the law for several years. Although NH is a "shall issue" state some of our local authorities think it is a "may issue" state like our neighbor to the South. (We like this one.)

HB 1416, a bill relative to funding for state criminal background checks, ostensibly establishes a fund for a full time position in the Licensing division of the state police. The DOS licensing division budget already provides for \$375,000 in revenue to cover current licensing personnel and division costs.

HB 1474 would require the collection of data relative to firearm related deaths and injuries. The Uniform Crime Reporting Unit of the New Hampshire State Police already collects this data and submits it to the UCR/FBI.

HB 1632-FN would establish a criminal penalty for providing a firearm to a person prohibited from possessing one. Federal law already does this.

HB 1635: relative to the theft of a firearm during a burglary. Tortuously written, the bill makes theft of a firearm a Class A felony. Reading the entire text, too lengthy to print here, will disclose the dangerous ambiguity in this bill.

HB 1657: prohibiting firearms in certain public places. With the exception of polling places, the bill imposes the state over private property rights.

SB 389: relative to the penalty for possession of multiple firearms. Reaffirms that a "unit of prosecution" under RSA 159:3 -a, refers to each occurrence of possession rather than each

individual firearm.

SB 455: relative to immunity for injuries from the possession or use of a firearm by an employee or official of a political subdivision. Relieves political subdivisions from liability.

The NH House voted 231-121 to approve HB 512, prohibiting the confiscation of firearms and ammunition during emergencies, and grants law enforcement officers immunity for refusing to follow illegal confiscation orders. The bill goes to the Senate for consideration.

On the Federal level: The surge of criminal background checks required of new gun purchasers has been so unrelenting in recent months that the FBI was forced to temporarily halt processing of thousands of appeals from prospective buyers whose purchases were denied.  
-- USA Today January 20, 2016.

The annual battle of the people's Constitutional rights and the government's efforts to control our daily lives marches on!
